□□ Welcome to DelveSMP

This is your official go-to guide for everything DelveSMP. Whether you're just joining or you're a long-time resident, this wiki is here to help you get the most out of your time on the server.

Here you'll find:

- □ An overview of all our features and systems
- □□ Step-by-step guides for gameplay mechanics
- □□ Tips for navigating the world, claiming land, and growing your progress
- □ Answers to common questions, player rules, and command references

This wiki is maintained to keep it up to date as new features roll out and the world of DelveSMP evolves. So take your time, browse through the sections, and get stuck in. Whether you're here to build, explore, trade, or grind for glory — there's something for everyone on DelveSMP.

> **i Server Connection Details**
>
